

Project Reflection

Name: _____

1. What do I know about my topics?

2. How engaged was I?

3. What did I like?

4. How did I perform?

5. What new questions do I have about my topics?

6. What are my next steps to becoming a better learner?

7. How did you feel as you went through the inquiry process?

1. **Thumbs down:** I got frustrated, did feel as though I was on the right track.
2. **Thumb sideways:** I was a little stumped at times but I struggled through it and did what I needed to do.
3. **Thumbs up:** I felt good and like I was going in the right direction. I was happy.

*Please look at your inquiry model if you need to reflect on what you had to do at certain stages of the inquiry cycle.
